Memorandum,-

APPLICATION TO PURCHASE

of George H. Bradley,

Fractional N.½ of N.E.¼ of Section 8,

Township 3, Range 5, West 5th Meridian,

containing a net area of 77.35 acres.

Shown on sketch attached coloured green.

I beg to submit for consideration and decision the application above referred to. The land applied for is available according to the records of the Department and the applicant who, in January, 1912, obtained homestead entry for the adjoining S.E.¼ of Sect on 18, shown on the sketch coloured purple, states that the surveyed road allowance running North from the Government road to his place is on a very steep hill and that the only means of access he has to the Government road is by a road he has built at an expense of $100.00, through the parcel in question.

Under date the 7rd ultimo, Mr. Dominion Inspector Link reports that the land applied for is broken and mountainous and not suitable for agricultural purposes. He adds that it would make good grazing land and recommends that Mr. Bradley's application be granted.

M. O'Sullivan:-

You will note that Mr. Rowatt, in the last paragraph of his memorandum of the 31st August [illegible] expresses the opinion that the sale to George H. Bradley of the portion of Legal Subdivision 15, covered by Mr. H. A. Lyon's application for a sale, should be cancelled on the ground that the land was not available at the time the sale was made.

In view of the Agent's representations in regard to Mr. Lyon's application, it would appear questionable whether the Department would be justified in taking the course suggested by Mr. Rowatt. In this connection, I beg to quote the following paragraph from the Agent's letter of the 15th May last, herewith:-

"When Mr. Lyon's application was received on the 1st of December, 1911, to lease this land, there were no regulations governing leases of this nature and the application was dealt with on its own merits, and according to your letter of the 17th of December, 1912, the application was finally disposed of and Mr. Lyon was advised that if he desired to secure this land, he would require to make application after the regulations governing same came into force."

The file should now be returned to Mr. Rowatt, I think, in order that a final decision could be arrived at in regard to Mr. Lyon's application. Mr. Rowatt's attention should also be called to Ref. 95391, herewith, which has not been replied to.

This file was taken from my desk some time ago and has just been returned.

I,

the foregoing questions and answers are true, full and correct, to the best of my knowledge and belief, and that I have not, directly or indirectly, by myself or by any other person, to my knowledge or with my consent, made any agreement or contract, or in any way or manner, or with any object, sold, alienated, or conveyed the land hereby applied for, or any portion thereof, or any interest therein, but that I am acting entirely for my own use and benefit, and not directly or indirectly for the use or benefit of any other person or persons whomsoever.

That I am a citizen of the United States, over the age of twenty-one years, and that I have not previously entered under the Homestead Law.

That the reason I apply to enter more than one quarter section is that the land in this quarter section is mostly valuable for timber, and that I cannot obtain a suitable farm without entering more than one quarter section.

That I do not apply to enter said land on speculation, but in good faith to obtain a home for myself.

That I obtained an entry, and received a Patent for the same [illegible] and that I have not since sold, conveyed or mortgaged said land, or any part thereof, to any person whomsoever.

The Minister of Justice,

Ottawa, Ont.

Dear Sir:-

Does the local agent or Dominion lands counten[illegible]e violence? An answer to this question is furnished by the agent himself in the fronting by him to another than the rightful claimant an entry which I alone, complying to rules always observed hitherto, held indisputable title.

If might is right a case decided in this case our boasted civilization has taken a backward turn of a thousand years. But I refuse to believe this. The case, however assumes a grave aspect when one considers the fact that the Minister of the Interior has deemed it proper to sustain the action of his subordinate. Nevertheless I feel satisfied that a clearer view of the subject matter involved is all that is necessary to arrive at an altogether different decision from that which apparently was reached on the spur of a moment. To that end I present herewith the grounds on which I ask for a reconsideration of the decision rendered. At exactly nine o'clock in the forenoon of the agent with the key to the gate was being turned preparatory to the admittance of twenty land seekers at the back of the office [illegible] I will position #1, I was interested to overhear a violent [illegible] the part of an outsider uttered in the following language with an [illegible], in itself a menace, to wit :-" If you attempt to get in [illegible] there will be a fight right here and now", and awaiting the actions of his rivals

...mitted an assault without any ...ating circumstances
to lessen the character of the offense, and as a direct result of
that attack on my person, ... of the government, who witnessed
the outrage, [illegible] to the assailant, ~~but he did know~~
moreover, the [illegible] in the last office, in that I feel
satisfied [illegible] case. "If an error is committed
misrepresentation irregularity or error ", declared the Tribunal
"it must," [illegible]". Surely the crime of in-
timidation [illegible] and tacitly, and
thereby [illegible] entry to the U. W. A. xx To. S. . con-
stitutes [illegible] entry.

I make no [illegible] to [illegible] my entry.

Thanking you with [illegible]

Ottawa 19th October, 1901.

Gentlemen,

I am directed to advise you, as follows, in reply to your letter of the 14th inst. :-

Upon receipt of that letter the notarial copies which were received under cover of your letter of the 24th August last were compared with their respective originals which were received under cover of your letter of the 14th inst., as it was found that such "copies" were incomplete in the respects mentioned in the letter of the 24th August, and with their respective originals. They are for that reason, as well as others, returned herewith.

With regard to the two originals which are also returned, herewith, it was noted :-

First, that the quarter-section of land, viz. S.E.¼ 6-19-4-West 4th meridian, was not described or referred to in the instrument of the 14th October, 1901, in such a way that the Department could be satisfied in connection with the issue of said quarter-section to "The Saskatchewan Valley Land Company" [illegible] Block of Grants. The instrument this quarter would prefer is an ordinary deed (containing no restrictions) to the Bank of this quarter section, but as the instrument of the 14th October, 1901, is absolute

And

E.C.

Messrs. [illegible],
Barristers,
Calgary, Alta.,

and unconditional assignment by the Syndicate to the Bank of all the assets and property of that firm, it will be accepted as a sufficient assignment of this particular quarter-section, to the Bank, if a statutory declaration, to be made by some disinterested person, is attached to it and both documents are returned to this office, the declaration to contain the statements that Joseph Bailey Powell and William J.Parkhill, alone comprise the late mercantile firm of "The Ottawa & Red River Lumbering & Navigation Syndicate;" and that included in the assets and property of such syndicate which was conveyed or intended to be conveyed to "The Union Bank of Canada" (Chapter A.D.1904, [illegible] section [illegible] section five (5), township [illegible] (12), [illegible] of the [illegible] meridian.

Second, that the instrument of assignment, dated February, 1905, from the Union Bank of Canada to "The Ottawa Lumber Company, Limited," is only an agreement of sale and purchase of the property therein referred to and is not a sufficient assignment [illegible] Company if the above mentioned quarter-section. In this case it is [illegible] accepted. It must be replaced by an ordinary assignment under seal from the Bank to "The Ottawa Lumber Company, Limited," if the quarter-section described therein is [illegible] to be [illegible] as [illegible] ted statutory declaration.

Given

Even if the "copies returned, herewith, are properly completed it has been decided that notarial copies cannot be accepted and that the only copies which can be accepted, if the originals cannot be sent here for registration, are copies, certified as such by the officer where duplicates of such originals are of record, namely by Mr. Lawrence J.Clarke, registration Clerk of the Calgary Registration District.

Finally, a fee of $5.00 is required for the registration of each assignment of lands, in this Department and therefore $5.00 will be the fees to be paid in this instance.

I am, Gentlemen,
Your obedient servant,

Secretary.

Lumber Co. Ltd. is not of record in any office either in Alberta or elsewhere and there is therefore no way by which we can procure a certified copy of the same for you. Under these circumstances we are compelled to ask you to accept the notarial copy of the same which we enclose. You have seen the original and from your examination of it and from this notarial copy you should be able to say whether or not it is in satisfactory form. If you prefer having this copy verified in any other way than by notarial certificate and will so advise us we will have your wishes complied with as far as possible.

4. We enclose herewith our marked cheque for $4. to cover the fees for the registration of these assignments in your department. We also enclose two descriptions prepared by A. P. Patrick D. L. S. from the plan which he prepared of the portions of this quarter section in question. The reference made in your letter to the property would indicate that the whole of the north west quarter was involved in this application but such is not the case. We understand that a copy of the plan made by Mr. Patrick is on file in your department and you can easily check the description which Mr. Patrick has prepared with this plan. We might say that he has included two of the parcels applied for in one description. The parcel on the plan as parcel 1 is bounded on every side excepting the side on which the allowance for road is by the parcel applied for as parcel No. 3 and he has combined these two parcels in the one description headed Parcels #1 and 3.

We trust that these papers will be found in satisfactory form and that the patent may issue to the company with as little delay as possible.

APPLICATION FOR EXTENSION OF TIME FOR SETTLEMENT.

Dominion Lands Office, Calgary Alberta, N.W.T. Canada. Sept 1st 1903 SEP 11 1903

IN THE MATTER OF EXTENSION OF TIME OF SETTLEMENT for the North West Quarter (¼) of Section No Thirty Four,(34) Township No Twenty Nine,(29) Range No Twenty Eight,(28), West of the Fourth Meredian, Alberta N.W.T. Canada.

I Henry Spooner do solemnly declare , and being duly Sworn, Depose and say/

That I made Homestead Entry for the above described land, at the Dominion Lands Office, at Calgary Alberta, N.W.T. Canada, on the 2nd day of April A.D.1903. and I now ask to have the time of settlement, and establising of residence on said land, extended, from October 2, 1903. to Mar. 2, 1904.

for the following reasons ,namely:

1st That I am a maried man, and have small children to move and care for and that I move at that time of year ,October 2, would work a hardship on Wife and Children, because of not being housed sufficient for winter

2nd That I am a renter here, and have to husk and care for my corn crop, this fall, and that I am dependant on said crop , to sell the same, and use the funds , to move my Family ,and build on said Homestead if forced to sell said crop on the ground, and so now, I would not realize sufficient to properly care for my Family during the coming winter, and improve said land,

That I make this solemn declaration in good faith, and not for the purpose of extending the time ,for any speculative ,or other purposes, whatever, but for the purpose of providing for my Family, and honestly fulfilling the Homestead Laws, and amendments thereto, of the Dominion Government, and if granted said extension of time to Mar 2, 1904. I will go on said land with my Family and endeavor to fulfill all of said requirements.

And I make this solemn declaration conscientiously believing it to be True, and under Oath. and knowing that it is of the same force and effect as if made under Oath, and by virtue of the Canadian Evidence Act 1893.

Sir,-

N.W. ¼ of Sec. 24 Tp. 57 Rge. 24 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

I have your letter of the 4th instant and in reply I am to state that when filing on the above described land on the 17th August, 1898, Dmytro Ciekur who was unable apparently to sign his name made his mark. He stated that he was born in Austria and that there were six in his family including himself. On the 28th January, 1902, he made application for patent and again made his mark. He stated that he was forty-three years of age and had a wife and six children.

He furnished a certified copy of his certificate of Naturalization dated the 30th January, 1903. I am attaching the said document and I am to request that you hand it to Mr. Ciekur and have him acknowledge the receipt thereof.

There is nothing on this office's file which would indicate the age of his wife.

LAND PATENTS BRANCH

Ottawa, 10th November, 1914.

MEMORANDUM:-

N.O.Coté, Esq., I.S.O.,
Controller,
Land Patents Branch.

Re application of August Hauer for a supplementary patent for the portion of the S.E.¼ of 27--56--20,West 4th Meridian,shown on the plan of survey as covered by water and containing 15.5 acres.

Homestead patent for the quarter section above mentioned,less the portion thereof shown on the township plan as covered by the waters of Marsh No. 1, was issued on the 22nd July, 1913,to Mr. August Hauer. In April last Mr. Hauer applied for a supplementary patent for the unpatented portion of such quarter section,shown on the township plan as covered by water,and filed a statutory declaration to the effect that the land applied for had become wholly and permanently dry.

In the Homestead Inspector's report,which was called for in this case,dated 27th June last, it is stated that "This land may be considered permanently dry; and I think it only fair that entrant should have a patent for it in connection with the balance of the quarter."

The usual abstract of title,showing that Mr.Hauer is still the registered owner of the patented portion of the said quarter section, was forwarded here under cover of the Agent's letter of the 23rd ultimo.

It would,therefore,appear to be in accordance with the present practice of the Department to issue supplementary letters patent in Mr. Hauer's name for the portion of the S.E.¼ of 27--56--20,West 4th meridian,shown on the plan of survey as covered by water,containing 15.5 acres.

Sir:

Re: Minerals underlying the N.W.¼ 13-51-22-W. 4th Mer. excepting thereout that portion covered by the waters of Cooking Lake.

In dealing with the standing of the minerals underlying the above described area I have discovered that there is in the Land Titles Office a cancelled Certificate of Title No. 123-C-5 standing in the name of His Majesty King Edward VII. The history of these minerals shows that on the 29th of June, 1903, a patent issued in the name of the Canadian Pacific Railway Company covering the above and other lands, together with the mines and minerals. Subsequently the North-west quarter of Section 13 above described not covered by the waters of Cooking Lake was revested in the Dominion Government in accordance with Certificate of Title 123-C-5 above referred to.

At a later date the Dominion Government issued a patent on the 20th of April, 1907, to Daniel Grummett covering the surface rights to that portion of the North-west quarter of Section 13 above referred to. When the Registrar of the Land Titles Office registered this patent in the name of Mr. Grummett, he cancelled in full Certificate of Title 123-C-5. This you will readily understand was in error because the mines and minerals still remained in this Certificate of Title 123-C-5. I have accordingly requested the Registrar to revive this Certificate of Title as to the minerals and now make application to you to make a recommendation and secure a Privy Council order for the transfer of these minerals from Canada to His Majesty the King in the right of the Province of Alberta as represented by the Minister of Lands and Mines by virtue of the Natural Resources Agreement.

It would be appreciated if you would give this matter your earliest consideration as an application has been made which involves the disposition of these minerals.

Yours truly,

T. W. Dalkin,

Dear Sir:

I have received your letter of May 27th, your file number 11(088, referring to the mines and minerals underlying this property and requesting that an Order in Council be passed transferring these to the Province.

In reply, I may say that by Order in Council P.C. 887, dated the 19th April, 1946, action was taken to transfer the Dominion's interest in these minerals to your government, as they appear on the schedule attached to the Order in Council.

Yours very truly,

Sir:

Re: Minerals underlying NW¼ 13-51-23 W4 excepting thereout that portion covered by the waters of Cooking Lake.

I wish to acknowledge receipt of your letter of the 3rd instant and to thank you for the information conveyed therein.

As no doubt you are aware, a copy of Order-in-Council P. C. 237 was registered in the Land Titles Office transferring the Dominion's interests in the various lands and minerals set forth therein. No doubt due to the fact that the Registrar had inadvertantly cancelled Certificate of Title 123-C-5 in full, no Certificate of Title was issued in the name of the Province covering these minerals.

I will refer the Registrar's attention to P. C. 237 and now request him to grant the Province the minerals referred to above under the authority of the Privy Council Order.

Yours truly,

T. M. Lacey,
Deputy Minister, Territorial Division.

Declaration of Abandonment

In the matter of the N.E. ¼ of Sec 32 Township 45 Range 21 West of 4th M.

I James Alexander Stewart solemnly declare that I made entry for the above mentioned lands at the Dominion Lands Office Edmonton on the 1st May 1893 and I now ask to have said entry cancelled and to be permitted to take an other homestead, for the following reasons.
When I made entry for the land I had not personally examined it, I found when I first the quarter section is covered with brush and sloughs and timber there is not over 25 acres fit for cultivation, the land fit for cultivation is in different places,

for improvements

That I have not either directly or indirectly received nor have I been promised nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.
And I make this solemn declaration, conscientiously believing the same to be true and knowing it has the same force and effect as if made under oath and by virtue of the Canada Evidence Act 1893
